How we're doing Explainer

>

Overall combined customer satisfaction so far this year

The percentage of customers who scored us 7+ out of 10 when asked if satisfied with us. This overall score is the average percentage across all satisfaction surveys since the start of April

>

Percentage of complaints resolved at the earliest stage

Percentage of customer complaints completed at the earliest stage (1) of the Housing Ombudsman's complaint handling code.

>

Average call wait time

The average time a customer had to wait to speak to one of our representatives during the month

>

Customer satisfaction with Gas and Home Safety

The percentage of customers who scored up 7+ out of 10 when asked how satisfied they were following a visit from the gas or home safety team

>

Number of customer calls to contact team

The total number of calls received by our customer contact team during the month

>

Average wait time for a routine appointment (days)

The average time a customer has to wait for an appointment for a non-emergency repair

>

Number of formal complaints received

The overall number of customer complaints received during the month

>

Percentage of customer telephone queries resolved first time

The percentage of calls to our customer contact team that were answered without being abandoned during the month

>

Repairs completed in one visit (customer perception)

The percentage of repairs completed in one visit during the month

>

Percentage of appointments we have had to move

The percentage of appointments we have moved because a colleague or contractor was not able to attend

>

Customer satisfaction with In-house repairs

The percentage of customers who scored us 7+ out of 10 when asked how satisfied they were with a repairs service delivered by Curo colleagues

>

Customer satisfaction with Contracted Repairs

The percentage of customers who scored us 7+ out of 10 when asked how satisfied they were with a repairs service delivered by a contractor

Our targets show what we expect to achieve right now. Targets always aim to maintain, and usually exceed our past performance.
