

You're invited to...

...an information session
about the future of
Tintagel Close

We intend to begin the demolition of Tintagel Close soon.

The design we shared last November was approved by Bath & North East Somerset Council and we have appointed E G Carter & Co Ltd as our contractor.

We will show our plans on how the building will be demolished and how the new homes will be constructed.

The actual demolition of the building will begin in January 2026 but some minor works will commence before then.

If you can't make it to the exhibition, you'll be able to view the plans by scanning the QR code or visiting our website:
www.curo-group.co.uk/tintagelclose-redevelopment

You can also email us on Curo.HomesAdmin@curo-group.co.uk
