Curo garage sites and parking spaces

Please use this list of Curo garage sites and parking spaces to choose which site(s) to apply for. If nothing is currently available on the sites you have chosen, your name will be kept on a waiting list and we'll let you know when there's a vacancy.

Some sites are spread over a large area, so if you're only interested in certain garage or space numbers, please put this on the application form.

Curo tenants will be given priority for garages - all other applications will be considered in date order.

Your application will be refused if you have arrears on any other account with us. You'll be invited to apply again when your arrears have been cleared.
