DISCLAIMER

The Client understands that:

- this report, and any communications in relation to the contents of this report, is private and confidential and intended for the Client only;
- it is responsible for ensuring that all the tendered properties are the responsibility of the Client. If any sites are not the responsibility of the Client, these should be immediately identified to EIC Partnership so that these can be removed from any future supply contracts;
- it is responsible for ensuring that these sites are eligible to transfer to a new supplier including ensuring that termination notices have been issued in accordance with the incumbent Energy Supplier's terms and conditions and that any debt greater than 30 days old has been cleared. Additionally the Client is aware that any objections to transfer could result in out of contract rates being applied by the incumbent supplier;
- any supply contract entered into is a direct contract between the Client and the selected Energy Supplier and as such the Client will be bound by the terms and conditions provided by the Energy Supplier. It is the Clients responsibility to ensure it has read, understood and accepted the Energy Supplier's terms and conditions before accepting any contract;
- the contents are intended for informational purposes only and that EIC Partnership makes no representation (either express or implied) or other assurances (either express or implied) that the information and opinions expressed in this report are accurate, complete or up to date;
- EIC Partnership is not liable for any damages or losses of any kind, whether foreseeable or not, (including, but without limitation, financial loss, damages for loss in business projects, loss of profits or other consequential losses) arising in contract, tort, or otherwise, as a direct or indirect result from action taken or decisions made as a result of reliance on material, in whole or in part, contained in the report. Nothing contained in the report constitutes financial, legal, tax or other advice, nor should any investment or any other decisions be made solely based on the report content;
- where contract type specifies NCP, contracts may be subject to new charges passed through by the supplier.
- the report may contain price projections that are based on assumptions that are subject to variations and as such there can be no assurance that the projections contained herein will be realised;
- whilst EIC Partnership considers that it used reasonable skill and care in producing this report that all parties must rely upon their own skill and judgement when making use of it.
