

Work Wise

Curo's Work Wise Team deliver targeted skills initiatives which help residents, particularly those facing barriers to employment, to access training and job opportunities.

We help local people get construction jobs on developments in their area by connecting them with opportunities and providing career advice and support.

We're currently partnering with Bath and North East Somerset Council on a trial work experience project to give disadvantaged young people valuable experience in the workplace. We've also recently run programmes to help people who struggle with maths.

Stay

In partnership with the North Somerset Council housing team, Stay is a new pilot service supporting residents at risk of homelessness and experiencing mental ill health.

We provide up to 12 weeks of focused support for people to find housing and engage with landlords. We also support people facing eviction or court action. We can help them keep their tenancy, manage money and debts, claim the benefits they're entitled to, and support their mental health.

We help people build strong connections in their communities to support their wellbeing and make sure they can stay in safe, stable housing.

For more information about Stay contact:

Community Wellbeing

Services to support local people

May 2025

FIVE WAYS TO WELLBEING
INTRODUCE THESE FIVE SIMPLE STRATEGIES INTO YOUR LIFE & YOU WILL FEEL THE BENEFITS

Independent Living Service (ILS)

Our Independent Living Service supports people to live independently in their own home. We offer flexible packages with different levels of support to suit all budgets and needs. All our packages include our digital alarm, providing peace of mind and security, 24 hours a day.

We offer a range of services, including:

- Reviewing finances, maximising income and support with benefit and grant applications
- Support with shopping
- Help with medical appointments
- Signposting to specialist help

Please ask about free to access service in B&NES.

For more information about Independent Living Service contact:

Community Connect

Community Connect is a free service for people over 50 in North Somerset who want help to live independently at home. It's run together with West of England Rural Network and offers opportunities for people to volunteer their time and skills at local events and groups.

The service offers a wide range of support, including:

- Information over the phone, face-to-face or by email
- Support to stay connected and active in your communities
- Help to set up groups and activities that benefit the local area
- Opportunities to learn a new skill
- Support to use smart phones, laptops and apps

Gordano Valley Primary Care Network (PCN)

We offer a social prescribing service for the NHS in the Gordano Valley Primary Care Network.

Social prescribing helps you take control of your health and find ways to feel better that work for you.

Our service is open to any adult registered at a doctor's surgery in the Gordano Valley area, including Portishead, Pill and Clevedon.

You can ask your GP about social prescribing or contact Curo's Community Connect Team to get a referral.

For more information about Gordano Valley Primary Care Network contact:

T: 01275 888 803

E: bnssg.gordanomendipsp@nhs.net

Wellbeing House (B&NES and North Somerset)

The Wellbeing House is a free retreat for those who want to enhance their mental health and wellbeing.

Our beautiful and peaceful environment provides a place of sanctuary, where people can receive support to help prevent a deterioration in their mental health and wellbeing. The service is available for seven-day stays, Monday to Monday – free of charge.

Health, social care and housing professionals can refer people to the Wellbeing House. Referrals can be made by phone or email. You can also refer yourself to this service.
